Sapilang, Bacnotan, La Union

Senior High School

Santol Vocational High School

2023-2024

Poblacion, Santol, La Union

Junior High school

Santol Vocational High School

2021-2022

Poblacion, Santol, La Union

Primary

Santol Central School

2017-2018

Poblacion, Santol, La Union

PROJECTS

RFID Library Management System

- Developed a basic library management system for managing student records, books, and borrowing transactions. The system uses PHP and MySQL to store and manage information. I also worked on the database structure and created a simple user interface for the system.

LEADERSHIP

Supreme Secondary Learner Government

Grade 12 Representative

2023-2024

Poblacion, Santol, La Union

Society of Information Technology Enthusiasts

2B Representative
